DESCRIPTION

This bill allows the County Commission of any county to appoint two additional citizens of the county who are not county officials to serve on the Board of Equalization. The board currently consists of the County Commissioners, the County Assessor, the County Surveyor, and the County Clerk, who serves as secretary of the board without a vote. Citizens appointed to the board may receive compensation if approved by the County Commission.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
